CAREER NIGHT @ ICCB

Tuesday, 23 July 2019, Kuala Lumpur Convention Center

ICCB 2019 Career Night offers exciting opportunities for NGOs and educational institutions to showcase professional degree, executive education/certification, and research programs and professional career positions to prospective students and early career professionals.

Feature your organization with a Table Top Display @ Career

Benefits of a Tabletop Display – US\$250 fee

- Highlight career or educational professional degree/executive ed/certification/research opportunities to a group of qualified candidates.
- Connect with individuals looking to expand their professional capabilities in the conservation, environment, and sustainability fields.
- Meet and network with other NGO and conservation leaders.
- Recruit for current and future job openings.
