STUDENT CONFERENCE ON CONSERVATION SCIENCE

18-22 AUGUST 2025
NORDENS ARK, SWEDEN

SCCS helps early career conservation scientists gain experience, learn new ideas and make contacts that will be valuable for their future careers.

Who? Researchers at an early stage in their conservation career (MSc, PhD students and ECRs) can apply to attend SCCS.

What ? The conference includes the opportunity for students to present their work, listen and learn from conservation professionals and participate in workshops.

Where? Nordens Ark is a wildlife park with focus on endangered animals and is situated 20 km from Smögen and Kungshamn, and about 120 km north of Gothenburg and 200 km south of Oslo.
