CV Writing Clinic for Students and Early Career Researchers

Drs. Helen Barber-James and Sukhmani Mantel of SCB's Freshwater Working Group (FWWG) will offer a free CV Clinic to help young scientists in the development of their careers. Although no CVs are ever alike, there are elements that all CVs should contain, and some that all CVs should avoid. **Guidelines and a template** are now **provided on SCB FWWG website** <https://conbio.org/groups/working-groups/freshwater/> and can be modified to fit your needs.

At ICCB 2017, the Clinic will be open to all young researchers and students, as part of the Career Fair. To receive explicit advice, please **email your CV to both Helen** [h.james\(at\)am\(dot\)org\(dot\)za](mailto:h.james@am.org.za) **and Sukh** [s\(dot\)mantel\(at\)ru\(dot\)ac\(dot\)za](mailto:s(dot)mantel@ru.ac.za) **by June 23, 2017.**

Your CV must be presented in English and labelled with your surname as part of the filename that you send. **Only the first 50 CVs will be accepted;** so get yours in early!

Feedback will be provided at the **CV Clinic table at the Career Fair at ICCB in Cartagena.**
