

## **Places To Go – St. John’s NL Accessibility Info**

Please contact individual business for more detailed information

Accessibility features of St. John’s include audio cues on some traffic lights and curb cuts on all intersections in the downtown core. Please note streets running north to south in our downtown have steep hills. Many St. John’s downtown buildings have heritage status so wheelchair accessibility is limited.

**For additional inclusion inquiries, please contact inclusionNL at 1-844-517-1376**
